It is the policy of Options Counseling and Family Services to be non-discriminatory in the delivery of services to clients without regard to race, color, religion, national origin, age, gender, disability, source of income, gender identity or expression, and/or sexual orientation.

Options is required to request the following information for Oregon Department of Human Services for the Measures and Outcomes Tracking System (MOTS). This data is collected and used to determine funding levels and effectiveness of mental health programs in our community.
