

# Resources – Portland metro area

---

*\*This list was compiled in November of 2018. Resources are subject to change.*

## Access and Safety/Shelters

<https://www.tprojects.org/portland-shelters/>

Living on the streets is tough – mentally, physically, and emotionally. To survive, those experiencing homelessness need access to basic services and safe spaces to be – both during the day and at night. Our Access & Safety programs seek to meet these needs.

### **THE DAY CENTER**

Located in the Bud Clark Commons in the Old Town neighborhood of NW Portland, the Day Center helps connect people to a wide range of resources and services offered around the metro area – seven days a week, 365 days a year. Beyond referrals, the Day Center offers guests access to bathrooms, showers, clothing, laundry, mail service, registration lists for shelters and longer term residential programs, identification assistance, a computer lab, a hair salon, and a health clinic.

### **SAFETY OFF THE STREETS (SOS) SHELTER**

A 70-bed emergency shelter open nightly for women in NW Portland.

### **HANSEN SHELTER**

A 200-bed emergency shelter open 24/7 for men and women in NE Portland. More information about the Hansen Shelter can be found [here](#).

### **WILLAMETTE CENTER**

A 120-bed emergency shelter open 24/7 for women and couples in SE Portland. More information about the Willamette Center can be found [here](#).

### **SEVERE WEATHER SHELTERS (2)**

Operated at the Day Center and at the Imago Dei Community in SE Portland. [These emergency shelters](#) open when the temperature drops to 25 degrees or lower. Together, these sites can accommodate up to 250 people with nowhere else to turn.
