Finder search

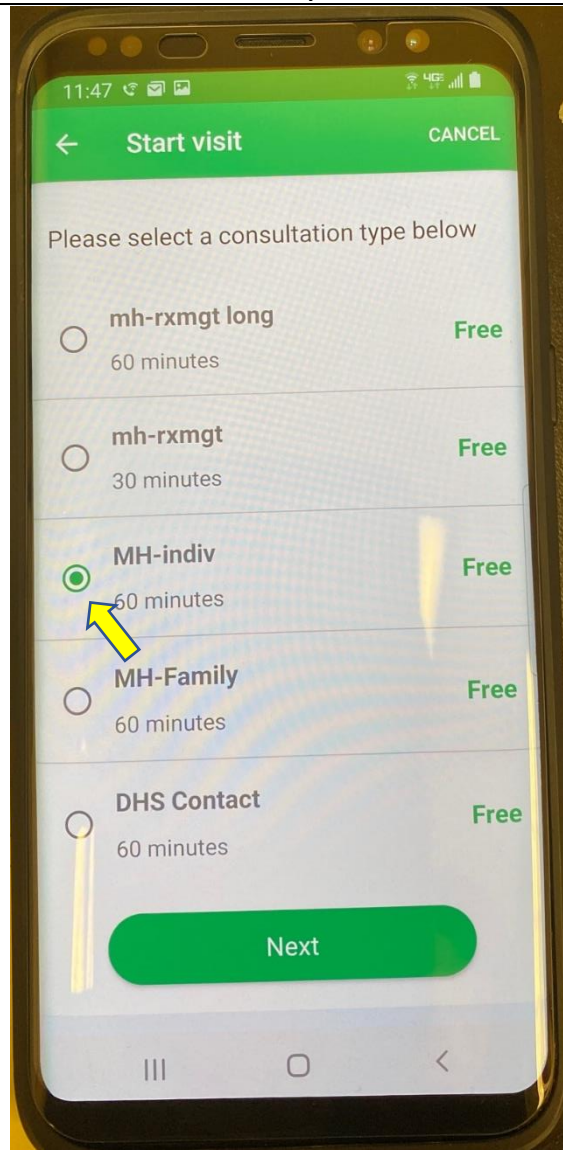

Okta Mobile Paycom VSee Clinic

Type in 'options' as the clinic name

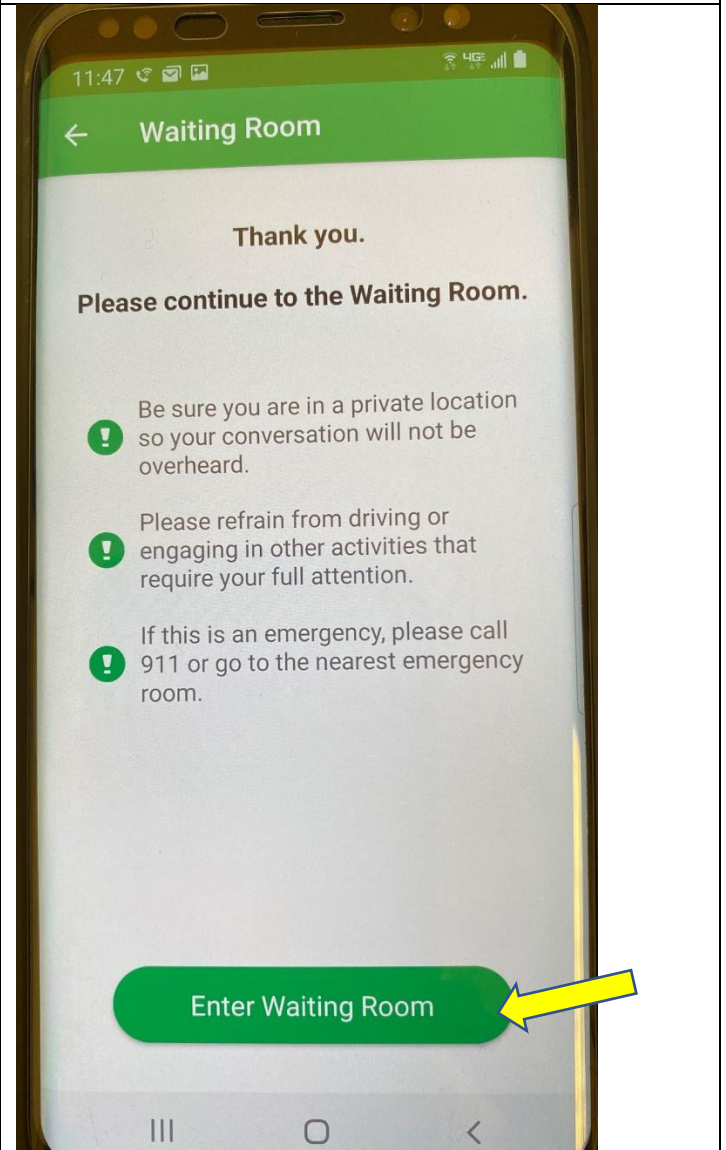

Enter your FULL NAME and your provider's FULL NAME
Tap on the check box next to the message granting consent
Tap on ENTER WAITING ROOM

Tap on the type of session –
choose MH-indiv if you are not sure

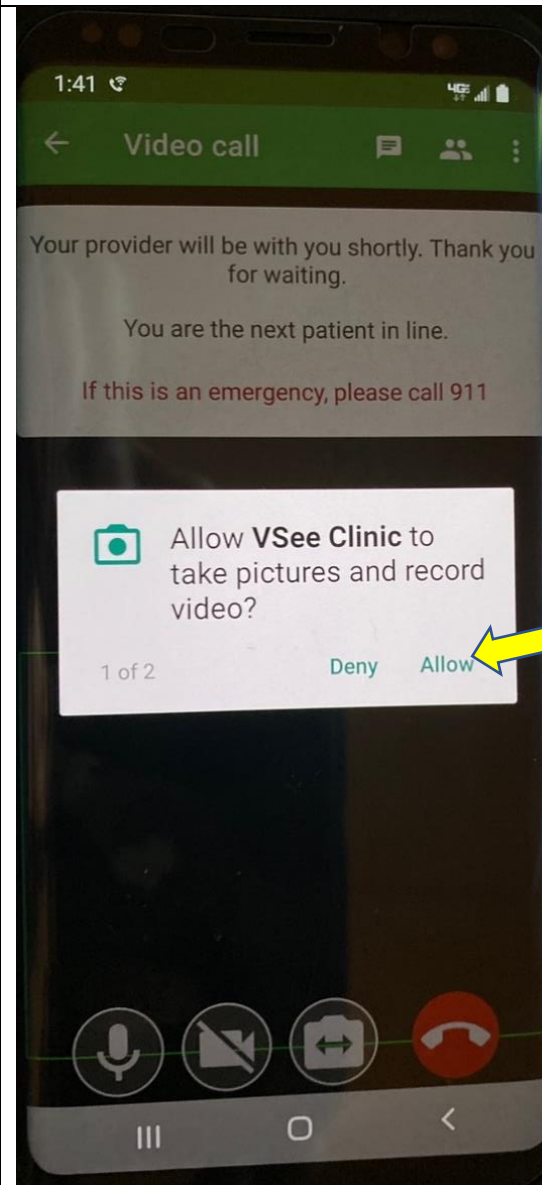

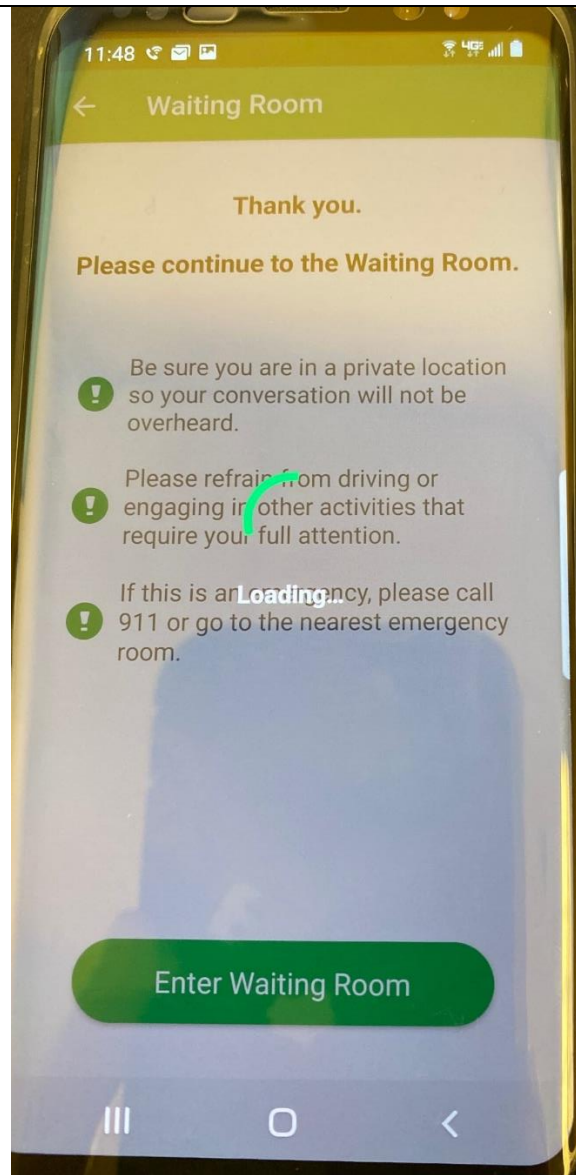

Tap on Enter Waiting Room

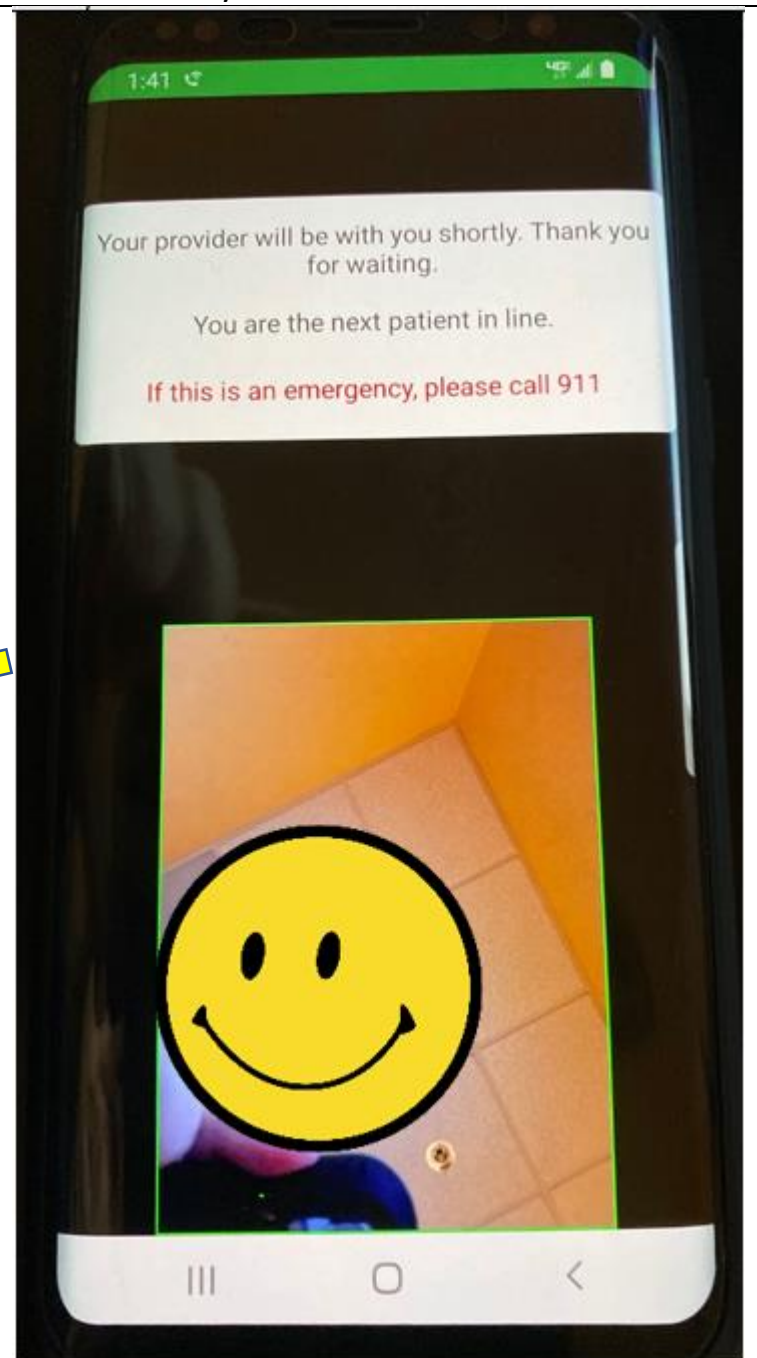

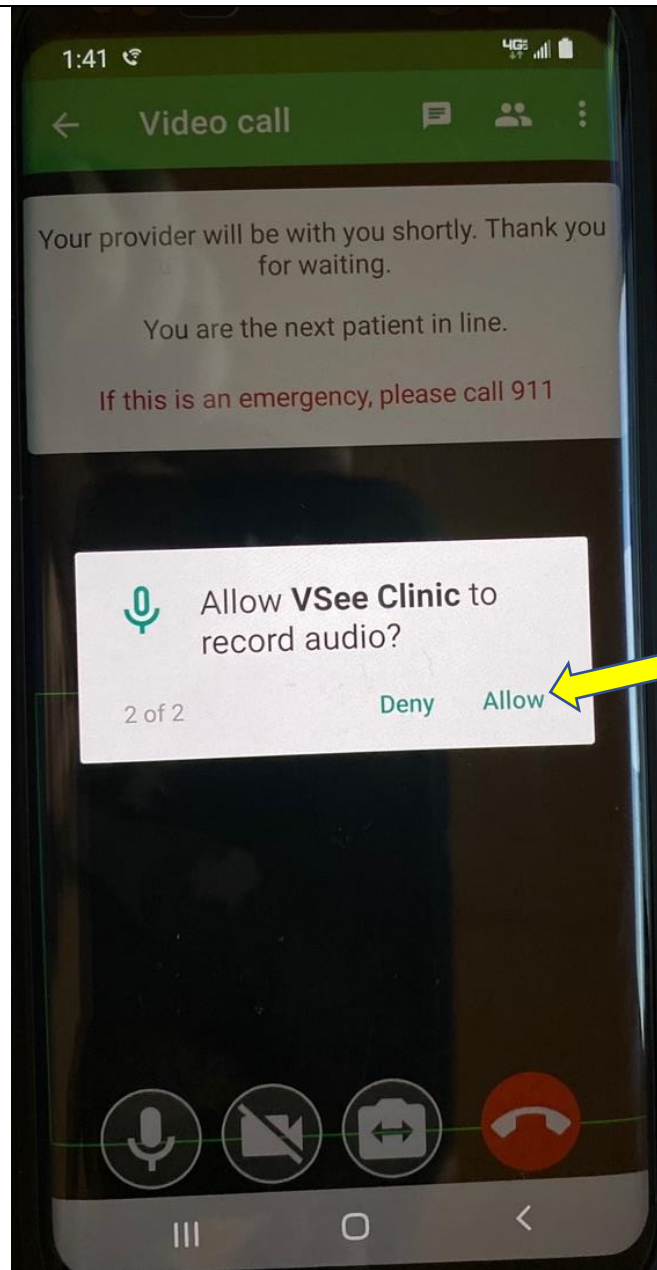

The screen will say "Loading..." and it might say this for a while the first time you connect

Tap Allow

Tap Allow

When you see this screen, your provider will connect with you in a moment.

When your provider connects you'll see them at the top above the preview of yourself below.

When you are finished your provider will end the session.
